

*"Booking the Best for Less"*

## Research and Planning Fee

Dear Future Client,

TP Enterprise Express looks forward to planning a wonderful and memorable vacation for you! A deposit is required to perform the best professional services to design and arrange your vacation travel package or cruise booking. All deposits are non-refundable and non-transferable. **Your 1<sup>st</sup> initial quote/consultation was complimentary.** Our office retains the deposit for any performed work if you cancel your vacation. The retainer is payment for services rendered, and it is non-refundable, non-transferable, and **expires 30 days** after the original quote is received.

Vacation planning involves much time and service based on years of personal experience and professional expertise. I research cruises, hotels, and tours to meet your specific needs. I contact suppliers, coordinate transportation, and draft itineraries according to your needs.

Your final itinerary and documents will make your vacation go smoothly. Suppose you choose to book your vacation with another agency or online. In that case, your Research and Planning Fee will be retained by TP Enterprise Express Travel Agency as payment for services rendered. All vacations arranged through TP Enterprise Express Travel Agency offer peace of mind. We are experienced professionals in planning travel for sophisticated travelers who demand the most professional individual attention to detail and execution of a well-planned vacation.

**Please note:** All group booking contracts require a 10-room block minimum. The agreement is invalid if your party fails to book the required minimum rooms. A group cannot drop below a minimum of 10 rooms and still be considered a group. In this case, all booked guests will be placed on an individual booking status which would require a higher deposit amount due, and if there are any changes in the group specifications. Additions/reductions of people to the group, date changes, etc., may result in a difference in the per person rate, hence the overall price.

- The personal/Individual Vacation Booking fee is \$150 - (*maximum of 2 rate quotes/changes*)
- Group Vacation Booking fee is \$300 – (*maximum of 2 rate quotes/changes*)
- Weddings & Honeymoon Booking fee is \$500 – (*maximum of 2 rate quotes/changes*)

Planning for group travel differs from independent travel but still requires a Research and Planning Fee ([Click here to make payment](#)) or Cash App (\$Travelwithtina). Please do not hesitate to get in touch with us to start your vacation planning process
